

## Seasonal - Aircraft Paint Prepper

We are looking for a seasonal *Paint/Prepper Technician with Automotive or Aircraft experience* to assist preparing aircraft, components, and parts for painting at our exciting heli-paint facility located at Villeneuve Airport, outside St. Albert and North of Edmonton, AB. This is a seasonal, full-time position, and is a great opportunity to gain experience in a specialized trade!

Salary is competitive and based on experience.

### SUMMARY OF DUTIES AND RESPONSIBILITIES

Responsible for preparing, masking, sanding and cleaning components and aircraft according to scheduled deadlines while following client specifications.

### QUALIFICATIONS AND ASSETS

- Minimum of 1 year of experience in automotive/aircraft paint prep;
- Must be attentive to detail and demonstrate professional pride in finished product;
- Ability to work under pressure and demonstrate strong organization skills;
- Positive attitude and willingness to learn;
- Driver's license and reliable vehicle required;
- Excellent written and verbal Communication Skills.

### HOW TO APPLY
